ALL AMERICAN DANCE TESTS

Each skater will skate their own part (female skater skates the female steps of each dance and the male skates the male steps of each dance).

A skater has the option for solo dance tests to skate the part of the dance as specified for USARS Domestic and CIPA competition.

All American Solo candidates and American Team Dance candidates, where only one member of the team is testing, shall skate a maximum of two minutes thirty seconds (2:30).

American Team Dance candidates; when both candidates in the same team are testing, a maximum of three minutes (3:00) will be used.

When more than one skater or team is being judged on the floor at the same time, three minutes (3:00) will be used.

The referee is responsible for planning the warm up of several dances at a time with the candidate, timing the skating period, and allowing sufficient rest periods.

GOLD MEDAL AMERICAN DANCE TESTS

All American **Gold Medal** Dance candidates shall skate a maximum of two minutes and thirty seconds (2:30). For team test, only one partner may be judged at a time by a panel of judges. Each test should be completed before starting the next test.

The referee is responsible for planning the warm up of several dances at a time with the candidate, timing the skating period, and allowing sufficient rest periods.

Please review the Gold Medal Test Section on page 66 for further Gold Medal Test procedures prior to scheduling a Gold Medal Test Center.
